Can I choose my Long Distance Carrier?

Long Distance · https://www.bluestreamfiber.com/support/can-i-choose-my-long-distance-carrier/

You have the option to select another long distance carrier if you so desire. However, Blue Stream Phone comes with FREE long distance in the United States, Puerto Rico, Guam and the Virgin Islands. If you select another carrier, your Blue Stream Phone bill will not change. However you will incur additional charges from whichever long distance carrier that you choose.
