If my phone service is temporarily suspended for non-payment, does my 911 service stop working?

911 · https://www.bluestreamfiber.com/support/if-my-phone-service-is-temporarily-suspended-for-non-payment-does-my-911-service-stop-working/

No. If you are temporarily suspended for non-payment, your 911 service will still function. If you are disconnected instead of suspended, then your 911 will NOT work. Disconnect reasons are: 1. You request to be disconnected. 2. You fail to pay your bill after 45 days.
