Is a Google Account Needed?

Video FAQs · https://www.bluestreamfiber.com/support/is-a-google-account-needed/

For the ultimate TV experience, including voice remote functionality, you would want a Google Account. This will allow you access to the 5000+ apps found on the Google Play store which gives you the ability to add additional streaming apps and games to enjoy on your TV service. If you do not want to access the Google Play store, you do not need a Google or Gmail account. Here is a link for information that can be found on our website:
