ONEPASS™

YOUR TICKET TO LIMITLESS ENTERTAINMENT.

OnePass searches gather every episode of a series available anywhere and adds them all right to your My Shows list. Watch a series from beginning to end, or start on any episode or season you want.

To create a OnePass search, find a show you want to watch, then choose “Create a OnePass.”

MY SHOWS

FIND. WATCH. REPEAT.

All of your recordings and streaming videos appear in the My Shows list. To get to the My Shows list from any menu screen or from live TV, just press the TiVo button twice.

The My Shows list includes categories that make it easy to find what you want to watch fast. Want to see all the kids’ shows you’ve recorded? Select Kids. Or lists of TV shows or movies that don’t include kids’ shows? Select TV Series or Movies.

THE DISCOVERY BAR AND TIVO SUGGESTIONS

MAY WE MAKE A SUGGESTION?

TiVo is the only entertainment experience that understands what you like because only a DVR with the TiVo experience keeps track of your programming likes and dislikes and makes suggestions accordingly through the Discovery Bar and TiVo Suggestions.

TIVO SUGGESTIONS

You can rate any show — whether it’s live, recorded, or listed in the program guide — by pressing the THUMBS UP®  or THUMBS DOWN®  button on your remote. You can give a show up to three Thumbs Up (great!) or three Thumbs Down (terrible!).

TiVo Suggestions uses these ratings to create a list of shows you might like. The more shows you rate over time, the better TiVo Suggestions will get at finding interesting shows for you.

THE DISCOVERY BAR

The Discovery Bar appears at the top of most TiVo screens. What you’ll see in the Discovery Bar depends on you! Often, the Discovery Bar displays ideas for shows you might like based on what shows you record and mark as your favorites. The Discovery Bar also displays lots of other great viewing options: popular shows or sports events that are playing on live TV, items from your My Shows list, TiVo Suggestions, and more!

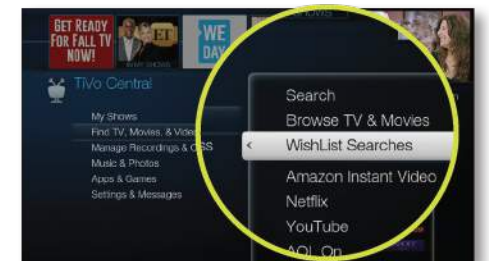

You can customize what appears in the Discovery Bar by going to “Settings & Messages,” then “Displays,” then “Customize Discovery Bar.”

WISHLIST® SEARCHES

TIVO IS ALL ABOUT PLEASANT DISCOVERIES.

Finding the things you love is a snap with a WishList search. Have a subject, title, actor or director you’re curious about? Just set up a WishList search and your TiVo box will search all your programming 24/7/365 and record it for you.

To set up a WishList search, select “Find TV, Movies, and Videos” from the TiVo Central screen, then choose “WishList Search.”
