SERVICE GUIDED BY OUR MISSION:

AS TRUSTED INDUSTRY EXPERTS WE ARE DEDICATED TO PROVIDING COMMUNITIES AND OUR NEIGHBORS WITH RELIABLE FIBER INFRASTRUCTURE TO OFFER WORLD-CLASS INTERNET, TV AND PHONE PRODUCTS AND SERVICES THAT ENRICH LIVES, WHILE PROVIDING A PERSONALIZED CUSTOMER EXPERIENCE, FROM A LOCAL TEAM THAT CARES.

Blue Stream Fiber Customer,

We pride ourselves on bringing world-class services to our customers. That's why we are thrilled to share updates about the upgrades coming to your community over the course of 2022. If you had the chance to attend one of our recent town hall presentations, you got to see the details on all these exciting improvements. If not, don't worry. We've provided many of the specifics in this communication, plus even more detail!

We're upgrading your entertainment experience!

You asked, and we listened. We are upgrading your TV service. You and the residents in your community will receive one Google Android HD DVR Set-Top box and voice remote as part of your Blue Stream service. Get ready to enjoy watching your favorite shows and movies in crystal clear HD. With 100 Network DVR hours included, you'll be able to record all of your favorites! In addition, you'll be able to watch your Blue Stream Fiber TV service via our App on a Fire TV stick. You'll also get a new channel lineup that will include more channel choices. And to top it all off, you'll be able to navigate and find your favorite channels with our world-class voice remote. Simply say the channel and you're TV will tune to that channel for you!

The updated TV service will feature the best of traditional TV as well as integration with popular streaming apps like Netflix, Amazon Prime and more!

- Simple, easy-to-use guide
- Network DVR, Start Over & Catch Up
- Voice Remote: Say it. See it. Watch it
- On Demand with over 30,000 shows
- Google Assistant & 5,000+ Apps
- 4K Readv
- Small Set-Tops can be placed behind TV

Additionally, as part of this transition, we will be sunsetting the use of Digital Transport Adaptors and the current set-top boxes. We'll communicate with you in the future on how to get your new equipment and dispose of the old equipment.

Go even faster with Internet speed upgrades.

We have recently increased the speed of your internet services to 300 Mbps X 300 Mbps, allowing you to connect to what matters most, quickly.

Upgrading your current phone plan to unlimited.

With increased reliance upon home phones, we upgraded customers' phone services to our unlimited national plan. This includes all the features that come along with your phone service such as Auto Redial, Call Blocking, Call Tracing, and Caller ID among others.

New website.

Enjoy our new state-of-the-art website built to help provide our customers with the very best user experience when looking for information on services, upgrades, or managing their account. We will be updating the website with information on these upgrades regularly. To find the information relevant to your community, just type in your address on the "Get Blue Stream Service" tab at **www.bluestreamfiber.com.**

We have even better news!

As part of our promise to bring you the best products and services, we will be offering a wireless Home Security service which will be available for upgrade. With our new Touchscreen Panel and app-based security and home automation, you can stay in control from home or on the go. Stay tuned for additional information coming soon.

Please be on the lookout for more communications about these exciting changes. We'll also be holding on-site Blue Stream Fiber experience days in the coming weeks and months to keep you apprised on timing and next steps. You can also stay informed by keeping an eye out for updated information on our website.

We thank you for being a Blue Stream Fiber customer and can't wait for you to experience these wonderful new services.

Sincerely,

Joe Canavan

Chief Executive Officer

Exploring the Features Included Within My New TV Service

Fully Integrated Streaming Apps, Easy-To-Use Guide and Remote

Stop searching and start watching. With an intuitive interactive guide and a Voice Remote powered by Google Assistant, you'll always know what's available to watch and when. Search upcoming TV shows and movies, streaming videos and Video On Demand all at the same time.

Ultra Slim 4K Set-Top Box that Works With All Your Devices

Small Set-Top works even when hidden behind the TV. Our TV service also works on devices like Fire Stick, tablets, phones and Apple TV! Popular apps like HBO Max, Netflix, and Hulu are available right from your home screen.

Network DVR

Record shows and movies to watch later. Recordings are stored in the cloud to watch anytime, anywhere. Aside from my TiVo set-top box, how else can I watch TV? Explore the Blue Stream Fiber TV App!

Smart Content Predictions and Recommendations

TV service that gets to know you and what you like. Your go-to shows and helpful recommendations will be curated right on your Home screen for easy access.

Google Play Store Access

With the Google Play Store built into the Set-Top Box, you'll have access to 5,000+ apps and games, including favorites like HBO Max, Peacock, and YouTube.

TO TAKE ADVANTAGE OF THE GOOGLE ASSISTANT VOICE FEATURE AND HAVE ACCESS TO 5,000+ APPLICATIONS, PLEASE MAKE YOU CREATE A GMAIL ACCOUNT IF YOU DON'T ALREADY HAVE ONE. THE LOGIN CREDENTIALS WILL BE NEEDED DURING YOUR PROFESSIONAL INSTALLATION!

Watch TV in Additional Rooms Using the Blue Stream Fiber TV App with Amazon Fire TV Stick

Wondering how you can watch TV in additional rooms without a set-top box? We have you covered!

With digital transport adapters (DTAs) now decommissioned, accessing the Blue Stream Fiber TV App via Amazon Fire TV Stick takes your TV watching experience to another level! Enjoy all of your new TV service's features in additional bedrooms and on the go without needing additional set-top boxes.

LET'S GET STARTED

The first step is downloading it! To download the App, simply visit the Google Android App Store if you have an Android device, or the iOS App Store if you have an Apple Device. When searching, you will want to type "Blue Stream Fiber TV App".

Next, you'll want to make sure you have your Watch TV Everywhere (WTVE) Credentials handy. You'll need them to log into the app.

This is the app icon you are looking for.

For more information on the Blue Stream Fiber TV App, please visit www.bluestreamfiber.com/homeproducts/tv/tivo-ip/bsf-tv-app/.

NOW YOU ARE READY TO EXPLORE THE BLUE STREAM FIBER TV APP FEATURES, INCLUDING: WHAT TO WATCH, THE PROGRAM GUIDE, OR THE SEARCH FUNCTION TO FIND YOUR FAVORITE SHOWS!

What to Watch:

What to Watch shows you categories of the best movies and TV shows available. Use the filter strip across the top of the screen to browse for shows that are available to stream, watch live (when in home), bookmark, or record. To get back to this screen at any time, tap What to Watch in the bottom menu (iOS) or tap Menu > What to Watch (Android).

Guide:

Tap **Guide** in the bottom menu (iOS) or tap **Menu > Guid**e (Android). To search for a
channel, tap the magnifying glass at the top
left of the Guide. To jump to a particular time,
tap the date at the top of the Guide to bring
up the date selector.

Search:

Tap the magnifying glass icon at the top of the screen, and enter the first few letters of title of the show or name of the actor you're interested in. A list of matches will appear beneath the search window.

When you find a show you want to watch, tap its title or image to display show information and viewing options. Depending on the show, you can choose to watch the show, set up a recording or OnePass, or change your recording or OnePass options.

- Someone 18 years of age or older will need to be home at the time of installation.
- You will need a Gmail Account in order to access many features included within your Blue Stream Fiber TV experience. If you have an account already, you will want to ensure your credentials are handy. If you do not already have an account, you will want to create one. Please see below for instructions on how to create a Google Email Account.
- **STEP 1:** Visit Google account creation page, accounts. google.com
- STEP 2: Click on Create account.
- **STEP 3:** The sign-up form will appear. Enter your first and last name.
- **STEP 4:** Choose a Username for your account. (Here you can also use an existing email address)
- STEP 5: After choosing a username, enter a password.

 Type the password again to confirm. (As per
 Google's instruction always use 8 or more
 characters with a mix of letters, numbers &
 symbols)

- STEP 6: At last tap on Next. (Right corner of the screen)
- **STEP 7:** On the next page enter your phone number to verify your account. (It is a two-step verification process for security)
- **STEP 8:** On the given mobile number you will receive a text message from Google with a verification code. Enter the verification code and tap on Verify.
- **STEP 9:** On the next page enter your DOB in the specified fields.
- STEP 10: Choose a Gender.
- STEP 11: Tap on Next.
- **STEP 12:** Read Google's Terms of Service and Privacy Policy will appear on the screen and click on I agree.

CONGRATULATIONS! YOUR ACCOUNT HAS BEEN CREATED. At this point you will be ready to share it with your Blue Stream Fiber technician upon arrival. If your WiFi network is being updated, you may want to put together a list of connected devices in your home, to ensure they are all set up and working prior to the technician leaving your home.
