Certain restrictions apply. Visit [SGC.BlueStreamFiber.com](https://www.SGC.BlueStreamFiber.com) for more details. Plan must be on customer's account for six (6) continuous months following any use of the Plan benefits to avoid being billed full service charge for applicable service calls. If the Plan is cancelled within six (6) months of exercising any benefits of the Plan, Blue Stream Fiber may apply a full service charge for all service calls made during that period.
