FAQs

How do I access the Blue Stream Fiber TV App?

In order to get started, please have your Watch TV Everywhere credentials. For a step-by-step on how to download and log in, please visit bluestreamfiber.com/bluestreamtv.

I am a seasonal resident and will not be back before you finish your installations. What should I do when I am ready to return?

Seasonal residents can be installed when they return. Simply call your Blue Stream Fiber Community number seven days prior to your arrival.

I am a seasonal customer. Do you have seasonal rates to put my optional phone service on hold at a reduced rate?

We do offer seasonal service rates for additional services added above your HOA included services. For phone, the seasonal rate is \$6/month plus taxes and fees. Seasonal residents are able to put services on hold once a year for 2 - 9 months.

What will you be doing during my install?

Our technicians will install your services and any additional services you requested. On average, the installation will take anywhere from 3-4 hours per home to complete. This will include the set-up of your wireless devices as well as the programming of your remote controls. Moreover, we will provide an in-home training experience on how to use your new equipment and services.

Where will your equipment be located in my home?

The Blue Stream Fiber Wireless ONT will be located at a central location in your home and/or where your previous modem/router was located. Set-Top boxes will be placed in the same location where your televisions are located.

What in home visits are covered by Blue Stream Fiber in our association's package?

Blue Stream Fiber will be responsible for in-home visits to repair faulty equipment or wiring owned and maintained by Blue Stream Fiber. An example of this would be if you experienced service issues related to a faulty piece of equipment like an ONT (Fiber Modem) or Set-Top Box. In this case, Blue Stream Fiber would come to your home and replace the equipment free of charge. Another example of this would be if you experienced service issues related to faulty internal wiring in your home. In a similar way, there would be no charge to replace or repair that faulty Blue Stream Fiber wiring. For service requests or needs outside of the above, there is a \$99 fee per home visit.

Where can I access resources on my recently installed services?

For a variety of how-to-guides and videos on our services, please visit bluestreamfiber.com/welcome.

What do I do with the equipment from my former provider?

Each provider has their own process for returning their equipment. We encourage you to contact customer service for your previous provider to learn how to return their equipment.

Can I add other services from Blue Stream Fiber?

Yes, you can add additional services at any time by calling our service center. Charges will be billed directly from Blue Stream Fiber for any additional services outside your Association's agreement. Please be advised that charges will start the same day the services are activated. When you add on additional services, please note additional fees and taxes will apply. For more information, please visit bluestreamfiber.com/taxes-fees.

How do I avoid paying the \$6.49 paper bill fee?

You can avoid paying the fee by signing up for E-bill. While signing up for electronic billing consider also signing up for autopay.

How do you sign up for E-bill or autopay?

You can sign up for E-bill or auto pay by visiting www.bluestreamfiber.com and click on Account in the top right corner of your screen. Select Bill Pay, then "residential customers" from the drop-down menu. You will then be taken to the Blue Stream Fiber Billing Website. On the right side of the screen, enter your Account Number and Zip Code then click Register.

What do I get with Blue Stream Fiber Phone Services?

Unlimited local and long distance calling to the United States and Canada, Voicemail, Call Waiting, 3-Way Calling and 29 calling features. Blue Stream Fiber also has great international rates outside of the United States.

What do I need to do if I want to sign up for home phone service?

If you choose to sign up for home phone service and wish to transfer (port) your home phone number to Blue Stream Fiber, please have your current phone bill handy during your sign-up appointment. In addition, please do not cancel your phone service with your current carrier. It will be cancelled automatically.

What does your Ultimate Connect Package cover when it comes to in-home visits?

All home visits related to customer education, accidental damage of equipment and wiring and even changes of service are covered. Examples include assistance to connect a new wireless device like a laptop or printer to your home WiFi network or to pair your remote with a new TV. We will even cover accidental damage to internal wiring and equipment free of charge. No charge for the visit or the replacement of wires and/or equipment. It's simple, worry-free coverage.

What can I expect on my first bill?

If you have added services above what is included in your HOA, the first bill you receive will include the services since you signed up and the services for the coming month. If you have any questions regarding taxes and fees, please visit bluestreamfiber.com/taxes-fees.
