

# How to Turn on Closed Captioning

Closed captioning can make your tv viewing experience more accessible and enjoyable, especially if you're hard of hearing. Let's get started.

## STEP 1

Ensure your TV and TiVo device are turned on and connected.

## STEP 2

Grab your TiVo remote control.

## STEP 3

Press the **"info"** button (italicized "I" symbol) on the remote.

## STEP 4

The info menu will pop up on the bottom of your screen.

## STEP 5

Use the **directional** buttons on your remote to scroll right until you see **"Turn Subtitles and CC on."**

## STEP 6

Press the **OK** button (located in the middle of the directional arrow buttons) on your remote.

## STEP 7

Wait a few seconds for the subtitles and closed captions to appear on the screen.

**Optional:** To customize the closed captioning features such as color, font, and style, follow these additional steps:

## STEP 1

Press the **TiVo** button on your remote.

## STEP 2

Highlight and select the **menu** option with the three horizontal lines.

## STEP 3

Highlight and select the **"Accessibility"** option.
