\*All Blue Stream Fiber® Bundles advertised in this brochure require a two-year service agreement to obtain discounted, promotional pricing for first 12 months of service. Promotional price is only available to new customers or existing customers not currently under a bundle contract or who upgrade to a higher tier. Standard Blue Stream Fiber Bundle prices will be charged after first 12 months at the current published rate. All prices shown in this brochure are for Indiantown Service area and do not include required taxes and fees. Blue Stream Fiber long distance is 8.9 cents per minute over 200 minutes (no minimum monthly fee) in 200/200 bundles. Other terms, conditions and installation costs may apply depending on customer location. Call for complete details.

\*No fees for new customer installation or activation.

\*\*If service canceled within first 30 days from fiber activation, call for complete details.

\*\*\*Advanced Managed WiFi mesh network setup and support plan available for additional fee.

# We Keep You Connected.

Blue Stream Fiber internet and phone bundles feature symmetrical internet and digital voice service over fiber that no other competitor can match. Get the ultimate Internet experience featuring reliable, ultra-fast speeds that produce superior conditions for awesome in-home WiFi, online gaming, streaming video, taking online classes, uploading files to the cloud, or operating a home-based business. Benefit from reliable, landline voice that has the ultimate clarity.
