- Read and accept the Terms and Conditions
- That's it! You're now enrolled in paperless billing and saving on the monthly paper bill fee

Paperless Option Terms And Conditions

1. To ensure we are able to provide you with important notices and other information, you must update Blue Stream Fiber with any changes to your email address. To update the e-mail address on your account, please visit <https://www.bluestream.com/BlueStream>. After signing in, select the "Account Profile" link and use the prompts to edit your email address; also update your current password, security question and billing address if you are receiving a paper bill. If you fail to update your email address and we receive a response that our email was undeliverable, the email containing your monthly bill statement, and/or other notifications, disclosures and other information Blue Stream Fiber is required by law to furnish for make available to subscribers in writing will be deemed received by you on the date the email was sent. If you use spam filters for your emails, please add no-reply to your approved senders list.
2. Blue Stream Fiber's hardware, software and related requirements for access to and retention of information provided to you in electronic form are as follows: you must have access to a computer with Windows 2000, Vista, XP, /, MAC OS 10.3 or higher, or PowerPC and the ability to connect to the internet using internet explorer, Mozilla Firefox or Google Chrome. Your browser also must support 128-bit encryption. If your browser does not meet the requirements, instructions will be provided or how to upgrade.
3. All of your electronic bill statements and other required information provided to you in electronic form with your monthly electronic bill statement can be printed or saved electronically to your computer for your records. To print copies of your electronic bill statement or any document linked to it, you must have Windows 2000, Vista, XP, /, Mac OS 10.3 or higher, or PowerPC the ability to connect to the internet using internet explorer, Mozilla Firefox or Google Chrome and a working printer that is compatible with, and properly connected to, your particular computer.
4. If we make a change in the hardware or software requirements listed above, and that change creates a material risk that you will no longer be able to access or retain the records described above, we will provide you with an explanation of the revised hardware or software requirements necessary for your access and retention of such records, and ask you to confirm your consent to receipt of such records in electronic format only. You will have the right to withdraw your consent at that time by electing to resume paper delivery of your monthly bill statement in accordance with the procedures described above.
5. By consenting to this TOU you are conforming to Blue Stream Fiber that you are able to access all information described herein in electronic form.

I have read and accept the Terms of Use set forth for the Blue Stream Fiber Web Self Care and all features I elect to utilize thereunder.
If you accept the terms above, check the box below, and then click submit.
