

How to Watch Shows on NBC Using Your Blue Stream Fiber TV Login

We're here to help you easily watch your favorite NBC shows—like *The Voice*—using your Blue Stream Fiber TV service. Just follow the simple steps below.

Watching on Your Phone, Tablet, or Computer

STEP ONE

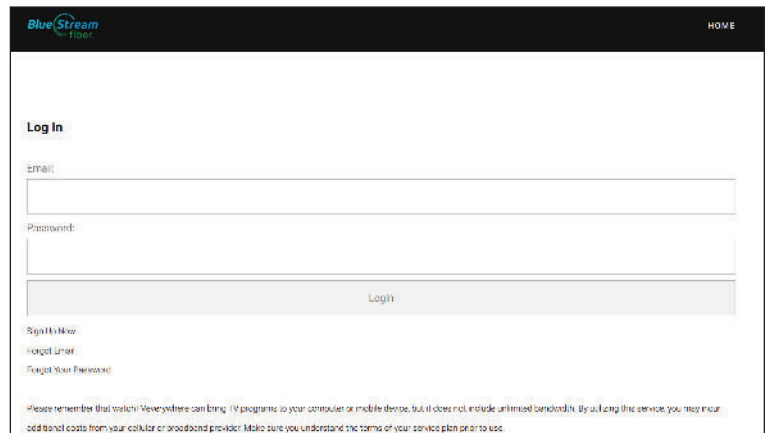

Go to the watchTVEverywhere site and sign in with your credentials

- Open your web browser and go to: www.wtve.net
- Enter your **Blue Stream Fiber TV App / wTVE** email and password
- Click **Login**

STEP TWO

Find NBC

- You'll see a list of channel logos
- Click on NBC

The screenshot shows the login interface for Blue Stream Fiber TV. At the top left is the "BlueStream Fiber" logo, and at the top right is a "HOME" link. Below the logo is a "Log In" section with two input fields: "email:" and "Password:". A "Login" button is positioned below the password field. Underneath the login fields are three links: "Sign Up Now", "Forgot Username", and "Forgot Your Password". At the bottom of the page, there is a small disclaimer: "Please remember that watchTVEverywhere can bring TV programs to your computer or mobile device, but it does not include unlimited bandwidth. By utilizing this service, you may incur additional costs from your cellular or broadband provider. Make sure you understand the terms of your service plan prior to use."

STEP THREE

Link Your TV Provider (if prompted)

Go to the watchTVEverywhere site and sign in

- Click “Link TV Provider”
- Search for **Blue Stream**
- Select it and log in again if asked

STEP FOUR

Confirm you’re logged in.

You’ll see the **Blue Stream Fiber** logo in the top right corner of the screen.

Once you’re logged in, there are several easy ways to find your favorite content. You can scroll down to browse trending titles, use the menu at the top of the screen to explore categories like shows or live content, or tap the magnifying glass icon to search for something specific.

For example, if you want to watch *The Voice*, simply select the magnifying glass, type in the show’s name, and choose it from the results to start watching.

Enjoy!
